Animal Resource Foundation and SAINT Rescue have partnered to raise money to combat the pet overpopulation by having HUGE bake sale. There will be an outstanding assortment of baked goods, pet & gift items and lots more! Please stop by and help support spay & neuter. Every dollar makes a difference!

Proceeds from this event will be used to fund spay and neuter programs and assist with the medical costs of Tuffy, Scruffy and Sassy. These three little kittens were rescued with serious eye issues. We hope to avoid surgery but it is possible that they may each need to have an eye removed.

For more information about the bake sale, please email us at [info@arfiowa.org](mailto:info@arfiowa.org).
