ANIMAL RESOURCE FOUNDATION

Animal Resource Foundation (ARF Iowa) is a 501 (c) (3) non-profit organization dedicated to improving animal welfare. We do this by providing a number of programs and services to rescue groups and the general public.

PROGRAMS AND SERVICES

SNIP (Spay/Neuter Incentive Plan)

This program offers low-cost spay and neuter for companion animals. It is subsidized by Animal Resource Foundation and uses specific veterinary clinics for the surgeries. Individuals can receive discounted services based upon their financial situation and work status. An application is required to determine eligibility for the program.

Apollo's Fund

This program is named for the inspiration behind Animal Resource Foundation. Apollo's Fund offers financial assistance to pet owners with animals suffering from life-threatening injuries or illnesses. We don't want any animal to suffer or die because their owner is facing financial difficulties. This program is only offered if we have funding available.

Rescue & Shelter Assistance

This program offers a variety of resources to rescues and shelters. This could be in the form of a food donation or assistance in locating a grant for an animal in need.

IOWA HUMANE ALLIANCE

Our Mission

The mission of Iowa Humane Alliance is to cultivate and forge partnerships with humane organizations, municipalities, veterinarians and compassionate individuals to connect the people of Iowa to affordable and accessible programs and services that target the elimination of companion animal homelessness, abuse, and animal shelter over population.

Our Vision

We envision a state where all companion animals have safe long-term homes, where feral cats are valued and protected, and where euthanasia is no longer used as a form of population control.

"Every Day is Spay Day" Clinic Campaign

Iowa Humane Alliance is proud to announce the public phase of our "Every Day is Spay Day" Clinic Campaign. We are working to raise \$255,000 to open the Iowa Humane Alliance Community Spay/Neuter Clinic in early 2011.

Our campaign is called "Every Day is Spay Day" to reflect our focus on high volume spay/neuter services designed to lower shelter admission and end euthanasia as a form of companion animal population control. Because this clinic will meet a significant need in our community, it needs to be opened through community efforts and we are asking for your help. We have raised \$50,000 for the clinic. Our goal is to obtain another \$200,000 in private donations by the end of September, 2010. This means we need to find 200 people to contribute \$1,000 each, or 400 people to contribute \$500 each. While donations of ANY AMOUNT will help, breaking the goal down like this makes it feel all the more obtainable. Can you be one of those honored donors? Do you have friends and associates who might be willing to help? Do you own or manage a business that would like to help sponsor this clinic? Please let us know.
